

## International Conference on Net-zero Emission Technologies for Sustainable Development: Challenges and Opportunities (NOET-2022), Dec 12-13, 2022

Organized by

Department of Chemical Engineering  
Indian Institute of Technology (ISM) Dhanbad, Dhanbad-826004, India

### SUBMISSION GUIDELINES FOR FULL-PAPER

- ✚ Broad Area: Kindly refer to the given Theme areas of NOET- 2022
- ✚ Full-paper should be submitted in MS-word (.doc or .docx) format only
- ✚ Font & Spacing: Use Times New Roman II Font size 1.5 spacing.
- ✚ Title: The title of the article should be brief and informative. A short title may also be provided for the folio line.
- ✚ Author's Details: Complete names and affiliations of respective contributors, along with the address where the work was carried out, should be inserted below the title. If the current address of the authors is different, it should be given as a footnote on the title page. The corresponding author should be identified, and his/her email address should be given.
- ✚ Abstract: Refer Abstract template [\(Link:\)](#)
- ✚ Keywords: Not more than five meaningful keywords should be selected from the article. Each keyword should consist of less than three words.
- ✚ Nomenclature: It should contain the complete list of symbols and Greek letters and their respective definitions and dimensions. Consistent units (in SI) of measurement must be used throughout the article.
- ✚ Text: At the beginning, it should contain an introduction describing the relevant previous work and the objective of the present investigation. The experimental part should describe the materials, methods and experimental set-up. Mathematical development should be described in

the model section concisely.

- ✚ Tables: Tables should present new information rather than duplicating what is in the text. All the tables mentioned at appropriate places in the text should be numbered serially in Arabic numerals. Each table must be accompanied by an appropriate caption.
- ✚ Figures: All the figures mentioned at appropriate places in the text should be numbered in Arabic numerals. The figures should be clear and easily reproducible drawing(s)/ illustration(s) and should be of high quality (1200 dpi for line art, 600 dpi for grayscale and 300 dpi for colour, at the correct size) in JPEG, GIF, PNG file formats. Graphs should be plotted using standard software, e.g., Origin, MS-Excel, etc.
- ✚ Mathematical Equation and Chemical Formulae: It should be embedded in the text. Complete equations, chemical reactions and structural diagrams should be clear and correctly typed.
- ✚ Reference: It should be under square brackets at the end. Standard abbreviations should be used for a Journal's name.
- ✚ Funding details: Please supply all details required by your funding and grant-awarding source as a single agency or multiple agencies
- ✚ Disclosure statement: This is to acknowledge any financial or non-financial interest that has arisen from the direct applications of your research. If there are no relevant competing interests to declare, please state this within the article; e.g., The authors report there are no competing interests to declare.
